AquaJoy Bathlifts Ltd – AN AWARD WINNING COMPANY

AquaJoy Premier Plus & Junior Plus Bathlifts

THE AQUAJOY PREMIER PLUS AND JUNIOR PLUS BATHLIFTS – Developed for you, by you

AquaJoy Bathlifts Ltd has established itself as a brand you can rely on within the Bathlift market place. The award winning company provides high quality, versatile, reliable products supported by unbeatable levels of customer service. The AquaJoy Premier Plus & Junior Plus Bathlifts were developed and designed after close consultation with healthcare professionals, loan store managers and end users. Because of this, the Bathlifts have become firm favourites throughout the UK and Europe.

The AquaJoy Premier Plus & Junior Plus Bathlifts fit into almost any style of bath, maximise legroom and are easy to put in and take out of your bath without requiring any adaptation or modification to your bathroom.

AQUAJOY JUNIOR PLUS

So why choose any other bathlift?

SUITABLE FOR ADULTS AND CHILDREN

- Adaptable accessories for users with varying ages and needs

BARIATRIC WEIGHT LIMIT AS STANDARD 170KG (26.7 STONE)

- Ideal for heavier clients

RECLINING BACKREST AT THE TOUCH OF A BUTTON

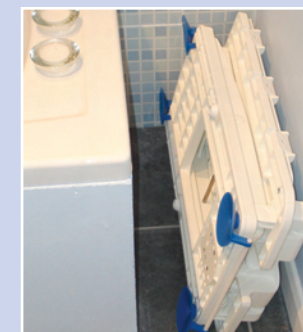

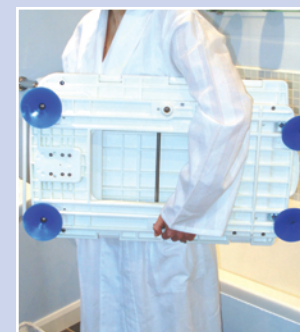

- Allows the client to recline in the bath like they used to

FITS ALMOST ANY STYLE OF BATH

- Suitable for deep baths – maximum seat height 460mm
- Suitable for shallow baths – minimum seat height 80mm

MAXIMISES LEGROOM IN THE BATH

- Bathlift seat locates as far back in the bath as possible
- Recline angle makes full use of all bath space

Moving and Handling – made easy!

TWO PIECE RECLINING BATHLIFT

- Separates easily into two compact sections
- No awkward locks or buttons to press, backrest simply folds forward to detach
- Compact design saves storage space and allows the Bathlift to be carried against the body for an unobstructed view

EASY RELEASE SUCTION FEET WITH LIFTING BAR AS STANDARD – NOW BLUE!

- Limits stooping and stretching when lifting the Bathlift in and out of the bath
- No struggling under the bathlift seat to detach individual suction feet

Easy to clean and maintain

CAN BE USED WITH OR WITHOUT COVERMATS

- Detachable and can be washed in a standard washing machine up to 60 degrees protecting against unwanted germs and bacteria

SMOOTH, CREVICE FREE SURFACE

- Dirt and used water do not get trapped
- Makes cleaning quick and easy

STREAMLINED FRAMEWORK

- Provides access to the Bathlift and bath for cleaning when in situ

Simple and safe to operate

LIGHTWEIGHT, FULLY WATERPROOF, FLOATING HANDCONTROL

- Comfortable to hold and operate
- Suction pads on reverse to stick to the side of the bath or to tiles for ease of use

CONVEX AND CONCAVE BUTTONS

- Soft to touch
- Easy to operate for users with limited dexterity or visual impairment

SIMPLE CHARGING PROCESS

- New and improved pronged connectors for ease of use

BATTERY INDICATOR LIGHT

- Indicates when recharging is required

NEW CHARGER INDICATOR LIGHT

- Indicates charging is in progress

SAFETY FEATURE

- The Bathlift will not lower unless there is sufficient charge to raise the client back to the top of the bath

AQUAJOY PREMIER PLUS

“At last, a Bathlift that does everything!” “AquaJoy has designed a product that benefits everyone involved” “An excellent and versatile product” “The best Bathlift I have seen to date!”
